At the instance of the Collector of South Kanara,

the Board requests that Government will be pleased to sanction for a period of seven months from 1st November 1924, the following establishment in connection with the settlement of the Mysore-South Kanara boundary.

(1) One Special Deputy Collector on Rs.300

(2) One clerk on Rs.50-4-80 grade.

(3) Four peons on Rs.15 per mensem.

In its Reference No.G.1459/23-2, dated the 16th May 1923 disposed of in G.O.Mis.No.802 Revenue, dated the 21st May 1923 the Board has already recommended the Collector's proposal to raise the pay of the peons to Rs.15 as itwas found difficult tosecure peons on Rs.12 to work on the ghauts.

2. As regards the officer to be deputed the Board considers that M.R.Ry. K. Raman Nayar avrgal who was previously deputed for this work may be sent back to complete it instead of a new officer who would have to study the subject afresh.

3. The Board also recommends that the orders issued in G.Os.Nos.290 Mis., Revenue, dated the 15th February 1922 and 205 Mis., Revenue, dated the 1st February 1922 regarding the grant of travelling and deputation allowances may be ordered to apply to the field season of 1924-25.

To Under Secretary

The file relates to the resumption of work of Settlement and demarcation of the boundary between Mysore and South Kanara The work was undertaken in Jan.y 1921 by a Survey of India officer The Mysore and Madras Govts being represented by their own officers. Each Govt paid their own share of the Cost: and the Cost of the Survey of India officer and his staff was shared equally by both the Govts 2/ The establishment worked for two Seasons 1920-21 and 1921-22 It Completed the identification and demarcation of 85 linear miles There remained a balance of 115 linear miles. The work

(H)

was not continued in 1922-23 & 1923-24 as the Mysore Govt represented their ~~inabili~~ inability to provide funds for the work. The necessity for the Survey and the urgency for it have been set forth in the notes at pages 13-16 of G.O. 802-3 D/ 21-5-23.

(A)

3/ The Mysore Govt have now stated that the work could be resumed in the field season of 1924-25. This Govt have also agreed to it and have accordingly addressed the Supt Southern Circle Survey of India. ~~At the same time~~. The Board of Rev was requested to submit proposals for the staff required by this Govt which the Board has now done. &

4/ The establishment consists of

		Rs
(1)	one Dy Collector on	300
(2)	one clerk on	Rs 60-4-80
(3)	four peons on	Rs 15 each p.m

The establishment proposed follows the scale previously sanctioned for the work and may now be sanctioned. As regards the Dy Collector ~~the Board~~ it is submitted that Mr K. Raman Nair was employed for the two seasons on the work. The Board now

para 2 p 2 ne

request that the Services of M/s. K. Raman Nair Should be Spared for the work. ~~See~~ Attention is also Solicited to the Extract of the Draft Southern circle at page 2 of Go. 1852 dt 14-10-22. The Services of M/s. Raman Nair may no doubt be useful as he had experience of the work but it is submitted that he ~~was~~ has just ~~now~~ been appointed as Personal Asst to the Chief Conservator of Forests and it is doubtful whether he will be Spared. The remarks of the Development Dept may be invited. If ~~he is~~ M/s. Raman Nair is not available M/s. H Sankara Rao who is now in Mangalore and who had experience of boundary Settlement work may be deputed for the work. As the work is to commence from 1-11-22 or thereafter, the question of selection of an officer for the work may be taken up Separately.

(H)

(ii) Clerk on Rs 60-4-80. The pay of the clerk may be fixed at Rs 60. leaving it to the Collector of South Kanara to depute any man of experience from the permanent establishment for the work

(iii) peons The Board's proposal to fix the pay of the peons at Rs 15 p.m may be approved.

5 The orders sanctioning grant of deputation (local) allowance ~~Sanctioned~~. for the M

representative at 1/5 of his Salary ~~may~~ and the grant of increased t.a. and d.a. to the Staff ~~also~~ may also be applied to the establishment for the field season of 1924-25.

para 3 p 8 in G.O. 797 : 15-2-22 - (M) and page 6 : in G.O. 2,7-1 (I).

6 The Supt. Southern Circle, Survey of India may be asked to ~~as~~ report the details of the staff required by the Survey of India officer and to intimate the place at which & the date on which the ~~offi~~ officers should meet

The only point is about the officer to represent us. It would be convenient to have Mr. Raman here. But I have spoken to Development, and apparently they want to have him for the Budget as he has some experience. Further, it will not help the Dy. Collector's prospects. Mr. Sankara Rao has been at the settlement of the Bellary — Mysore boundary & we may depute him. He is not likely to be due for reversion during his duty, as he is No. 8 on eg. list. But this selection can be made separately later.

The establishment sanctioned for the demarcation of the boundary between Mayuram and South Kanara during the years 1920-'21 and 1921-'22, and that proposed for the current year is shown below:-

G.O. No. 8 Rev. dt. 3-1-'21.

Special Officer	on Rs. 300/- p.m. 1.

+ G.O. No. 290 Rev. dt. 15-2-'22.

2. The only item which calls for remark is the pay of the peons for the current year. In 1921-'22 the peons were paid at the rate of Rs. 12 each p.m. In G.O. No. 290 Rev. dt. 15-2-1922 a pay of Rs. 12 p.m. was considered sufficient and the Collector was able to procure men on the above pay. The Board now proposes to raise the pay of the peons to Rs. 15 each p.m. ~~I am not sure that it was found difficult to secure peons on Rs 12 to work on the ghauts, nor sufficient reason to agree to the Board's~~ It is doubtful if this is sufficient justification for the ~~rate proposed~~. A pay of Rs. 12 p.m. sanctioned for the last season may suffice. Subject to the above remark the ~~proposals~~ draft order may be accepted.

2. It is subd. that since the issue of the above G.Os, the travelling allowance rules have been revised so as to do away with varying special rates fixed for varying classes of officers and fixing their t.a. with reference to the common basis of pay. The establishment of the special officer will be eligible for a 50% enhanced daily allowance for their journeys in South Kanara under note 2 (iii) in Annexure VI of the t.a. rules and no further concession seems necessary in their case. It seems doubtful whether any concession in the matter of t.a. is necessary for the special officer. 3. As regards the proposal to allow a deputation allowance

of $\frac{1}{5}$ of pay to the Dy. Collector on Special Duty as was hitherto given, it is subd. that it does not seem necessary to sanction the allowance as a matter of course as the position has since altered The deputation allowance was originally sanctioned with reference to art. 81 C.S.R. Under the Fundamental Rules, there is no question of deputation within India. Attention is solicited to F.R. 11 under which the whole time of a Govt servant is at the disposal of the Govt which pays him and he may be employed in any manner required by proper authority without claim for additional remuneration. In view of the above it seems doubtful whether the grant of an allowance of $\frac{1}{5}$ pay can be agreed to without further justification.

stands to reason that it will be difficult to get men of proper type for this job on Rs.12 each when it is remembered that their work will be of a nature far different from that of peons employed on other duties or in other offices.
